Printing SA will be visiting Nelspruit soon. Delegates will learn more about member benefits, services and receive the latest industry updates on some of the work that we have been doing in order to ensure the long-term sustainability of the industry. Printing SA represent the interests of the printing, packaging, signage, branding, creative design, marketing and communications industries.

We ensure the industry is sustainable and that all stakeholders and, in particular, its members prosper. Delegates will have the opportunity to speak to our representatives to find out about their member benefits & services, such as: human resources consultancy services; industrial relations consultancy services; B-BBEE advisory and consultancy services; commercial, technical and legal expertise; industry representation and training
